PROPERTY DESCRIPTION

Imagine waking up to breathtaking views every morning! This modern three bedroom, three bathroom home provides an open floor plan for entertaining with over 3,000 square feet of living space. The large open kitchen with tile floors and granite counter tops is perfect for the chef in the family. The master bedroom and bath is on the main level while the lower level accommodates two more bedrooms and a large family room with a built-in bar for more entertaining! Radiant heat throughout the house and even in the three car garage is perfect during the cold winter months. Enjoy the large lawn area for family gatherings and after the sunsets, the impressive outdoor fireplace and hot tub is perfect for relaxing and unwinding. There are even Sugar Maples on the property for making your own syrup!
