## PROPERTY DESCRIPTION

Mini-estate with mountain views. Privacy of country living in a prestigious Central VT neighborhood close to all amenities. Attention to details in this interior designer's custom-built home will make you walk through the door and say "I'm home!" The perennial and herb gardens on over 4 acres will fill aesthetic and culinary tastes while an in-ground heated pool invites casual entertaining and family fun. Indoors, two fireplaces—a raised hearth, fieldstone, woodburning fireplace in the living room and a gas fireplace in the family room, lend an air of casual elegance that is perfect for formal gatherings or a quiet evening at home. Gourmet kitchen with gas range, double ovens and cabinet space will satisfy a serious chef. The master bedroom is a hotel-suite with spa tub, ladies' vanity and Palladian window views of the park-like grounds. Along with two other bedrooms and a guest suite, this home will make your family and friends feel right at home. Who says you can't have it all?
